Ethical finance from Banor: a fund for UNICEF

by Carlo Cinelli and Federico De Rosa

The Banor umbrella

Good, sound finance. A fund set up under the Banor umbrella will invest in European absolute return bonds to finance UNICEF's campaign to combat child mortality. Re-claiming the original spirit of "ethical funds", Banor Capital's CEO, Giacomo Mergoni, will present the UNICEF segment of the Banor SICAV euro bond absolute return fund at the Bagatti Valsecchi Museum in Milan today. The fund is managed by Francesco Castelli. Paolo Rozera, Director General of UNICEF Italia, the Italian section of the UN NGO, will join Banor at the presentation.
