

PRESS RELEASE

Banor Capital welcomes Gianmarco Rania

Milan, 20 June 2019 - **Banor Capital** is pleased to announce that **Gianmarco Rania** has joined its team as Head of Equities and Portfolio Manager with a focus on the European equity market.

With more than 15 years in the asset management sector, Rania has accumulated significant experience in managing equity funds and individual assets for several asset management companies. Rania began his career in 2002 when he joined Pioneer Investments as Equity Portfolio Manager before moving on to Caxton Associates, Exor and Azure Wealth, where he managed various European equity market strategies. Most recently, he served as Chief Investment Officer at Hywin Wealth.

"We welcome Gianmarco Rania." These are the words **Giacomo Mergoni, CEO of Banor Capital**, shared to greet the new Investment Manager. "Gianmarco is a highly experienced professional with expertise in the European equity market, an area that we are committed to further developing. His previous experiences in environments similar to ours will be invaluable and will be leveraged to better position us within this market segment."

"I am delighted to join the Banor Capital team and become part of a company focused on **value investing**, a strategy that I have shared since the very start of my career," comments **Gianmarco Rania, Investment Manager at Banor Capital**. "I look forward to sharing my investment ideas on the European equity market and making them available to an organisation as dynamic and cohesive as Banor."
